CONTENTS

ARCTEC CO., LTD.

Sincerity & Credibility, Professionality,
Responsibility, And to strive for perfection.

Main Facility & Equipments:

- 10 sets of two spindles CNC lather machine Japan made,
- 30 sets of CNC lather machine Taiwan made,
- 2 set of CNC central drill machine Taiwan made,
- 1set of automatic bending machine Taiwan made,
- 4 sets of precise hydraulic crimp machine Finland made,
- 6 sets of automatic threading machine,
- Over 100 sets of other machine,....etc.

Products:

- TIG, MIG/MAG, PLASMA TORCHES & COMSUMABLES

BRIEF HISTORY

- 1981 Alphetex Company was founded and located in Taipei as a Panasonic electric welding machine reseller.
- 1985 Introduced DC TIG WELDER, a popular lightweight portable welding machine, was assembled solely by us and received high praise from customers.
- 1988 Started the welding parts & accessory wholesale, furthermore, we established solid customer base and sales channel in Taiwan.
- 1994 Started manufacturing welding parts and consumables by setting up our own factory in Taoyuan, Taiwan.
- 2001 Invested over half million US dollars to found Kunshan Arctec Co. Ltd in Jiangsu, China. The Taoyuan factory was moved to the new factory occupied 1500M2
- 2004 Fully quality assurance in manufacturing with ISO 2000 certified.
- 2005 China CCC certified.
- 2005 Increased our capital investment to over 5 million US dollars and acquired a land area 11000m2 to build another factory occupied 6500m2.
- 2008 Upgraded the production process and machines to be Automotive factory.
- 2009 Patent rights received of welding torch and accessory.
- 2010 Started the robotics welding torch and the relative products that market needed.
- 2011 To proceed with patent rights of products received.
- 2012 Authenticate of famous brand name products of Suzhou.
- 2013 High technology product certificate of accurate robotics welding torch received.
- 2014 Authenticate of research and development institution of foreign investment of Jiangsu.

KUNSHAN ARCTEC CO., LTD.
